

Fire danger is high today!

A Red Flag Warning has been issued due to low humidity, high temperatures and strong winds.

DON'T PULL OVER

Don't pull over to the side of the road unless absolutely necessary, especially onto dry grass or brush. Hot exhaust pipes and mufflers can start fires that you won't see, until it's too late!

Don't smoke when driving and never throw a lit cigarette or burning match out of a car.

DON'T SMOKE

NO SPARKS Sparks from dragging equipment on vehicles or faulty catalytic converters, especially on older trucks on uphill grades, ignite fires. Make vehicle safety upgrades as needed.

Keep a cell phone nearby and call 911 immediately in case of a fire. Many wildland fires are caused by arson. Report suspicious activity to the OC Fire Authority Arson Tip Line at 1-800-540-8282.

FIRE WATCH

The Toll Roads are part of OC Fire Watch, a new, countywide fire program that alerts the public to elevated fire dangers in wilderness parks and communities across Orange County.

Be alert! It's fire season and many wild-land fires are caused by arson. Report suspicious activity to the OC Fire Authority Arson Tip Line at 1-800-540-8282. Wildfires are a community problem, not just a fire department problem.
